Smallpox in Naples.—During the week ended March 18, there were reported at the health office of the city of Naples 29 cases of smallpox with 4 deaths.

JAVA.

BATAVIA—Plague.

The American consul reported April 7 the presence of plague at Batavia.

PERU.

Status of Plague—Smallpox.

Acting Asst. Surg. Castro-Gutierrez at Callao reports March 20:

At Lima one new case of plague was reported during the week ended March 11. At Salaverry plague and smallpox have decreased. During the month of February there were reported at Salaverry 31 cases of plague with 12 deaths and 5 cases of smallpox with 1 death; from March 1 to 18 there were reported 2 cases of plague, the last case having occurred on March 2, and 3 cases of smallpox. In Trujillo and the Chicama Valley plague is reported to be diminishing.

Bills of health from ports south of Callao show as follows: Mollendo, Peru (March 10), 2 cases of plague with 1 death in preceding two weeks; Arica, Chile (March 9), plague present; Iquique, Chile (March 8), 8 cases of plague with 1 death in preceding two weeks; Valparaiso, Chile (March 3), smallpox present.

PHILIPPINE ISLANDS.

Status of Cholera.

Chief Quarantine Officer Heiser at Manila reports February 16, 23, and 27:

During the weeks ended February 11, 18, and 25 no quarantinable disease was reported in the city of Manila.
